APPROVED: _____

DATE: _____

Contractor shall be required to retain a copy of the approved application, and approved traffic control and detour plan at the job site. The City Engineer will forward copies to each of the parties listed below. (Seventy-two (72) hours prior to street closure the contractor shall post signs with the dates of street closure and opening. Signs shall be posted at each project limit and shall remain posted until street opening or completion of work. Parties 2 through 6, as well as the City Engineer, shall be notified by the contractor 48 hours prior to closing and on the day or reopening any street affected under this permit.

Applicant shall obtain prior approval from City Engineer for any changes in dates or limits and may be required to file a NEW application. **FAILURE TO FOLLOW APPROVED PROCEDURE WILL VOID THIS PERMIT.**

Upon approval of the application, the Engineering Division will distribute copies to:
