

## Corona Host Lions Club Collection

*c.1849-2008 (predominantly 1938-1997)*

*3458 textual records, 5 artifacts, 4 blueprints, one photograph | 3 linear feet | 3 boxes*

On July 11, 1923, eighteen Corona business and professional men met and organized the Corona Lions Club (later the Corona Host Lions) under the sponsorship of the Pomona Host Lions club. On September 20, 1923 the International Association of Lions Club chartered The Lions Club of Corona. There were 26 business and civic leaders of Corona who signed that original charter. These men pledged themselves to serve the community and the nation. The Lions Club is the largest service club organization in the world numbering more than 1.2 million members in more than 190 countries.

The Corona Host Lions Club plans various fundraising projects during the year including poker tournaments and the annual pancake breakfast. The club gives 100% of all publicly earned funds back to Lion charities and projects. The club supports 22 charities that are involved with the conservation of sight and the blind. Among other areas Lions clubs provides assistance is in research for diabetes, disaster relief and drug abuse prevention. Every year the Corona Host Lions Club provides scholarships to local high school students.

A history of Corona since 1923 would closely parallel the history of the Corona Host Lions Club since many of its members were leaders in the activities which made Corona the fine city it now is.

This collection consists of two series. Series one consists of Corona Host Lions Club administrative records, programs, newspaper articles and correspondence. Series two contains weekly bulletins from the president of the Corona Host Lions club to members. In 1947, through voluntary labor and at a cost of \$4,621.41, Corona Host Lions Club built a Scout House in Corona. The blueprints for this endeavor are included in this collection. The items in this collection date from 1849 to 2008.
